[29TH AUGUST, 1931.]

Short title.

1. This Ordinance may be cited as the Cinematograph Exhibitions Ordinance, and shall apply to the Colony and Protectorate.

“ premises ” includes buildings and lands.

3. (1) No person shall conduct, present, or give, or allow to be conducted, presented, or given, any exhibition for the purposes of which inflammable films are used, except in premises licensed under a licence granted by the prescribed authority

for that purpose under this Ordinance, and in accordance with the provisions of such licence and with the conditions and restrictions, if any, set forth therein.

(2) No licence shall be granted in respect of any premises unless the prescribed authority is satisfied that such premises are safe and otherwise suitable for the purposes of the proposed exhibition.

(3) The prescribed authority may—

(a) refuse to grant any such licence, or

(b) grant the same subject to such conditions and restrictions as the said authority may see fit to impose, and

(c) may at any time vary or revoke any such licence;

and in each case without being required to assign any reason for so doing:

Provided that an appeal shall lie to the Governor from any decision of the prescribed authority under this sub-section, and provided further that the decision of the Governor thereon shall be final.

4. Where the prescribed authority has granted a licence upon the condition that the exhibition shall be conducted under the superintendence of some public officer, it shall in such case be lawful for such public officer at any time to order such exhibition to cease, or to give any other direction which he may think necessary for the purpose of ensuring the safety from fire of the premises in which the exhibition takes place or of the people attending the exhibition.

Duty of occupier of premises in which it is proposed to give an exhibition.

(2) The said occupier shall notify the prescribed authority if and so soon as he has reason to believe that there is an intention to proceed with the exhibition either without a licence granted as aforesaid, or with such licence, but contrary to any of the conditions imposed thereby.

6. (1) No person shall present or exhibit, or allow to be presented or exhibited, any film pictures or other similar optical effects unless the same shall first have been approved and passed

10 of 1958.

(3) Whenever the Board shall pass and approve any film, it shall signify its decision by a certificate in the prescribed form. The Board may—

(a) pass and approve part of a film whilst disapproving another part thereof; or

(b) pass and approve any film subject to special conditions and restrictions as to the Board may seem fit; or

(c) at any time revoke its decision; or

(d) give such directions in the matter;

and may so act as it shall think proper for the purpose of giving effect to its decision.

(4) A film or part of a film which has been passed and approved by the Board of Control may, subject always to the provisions of this Ordinance relating to the premises in which an exhibition is or may be given, be exhibited in any part of the Colony or Protectorate.

Power of entry.

8. Any District Commissioner or Police officer may at any time enter any premises in which an exhibition is being given, or in which he has reason to believe that an exhibition is being or about to be given, with a view to seeing whether the provisions of this Ordinance and of any licence granted thereunder have been complied with, and generally also for the purpose of inspection and control.
